

## Individual commitment letter from each March Economic Madness participant

Student name: \_\_\_\_\_

### Student Commitment

I fully intend to support my team's efforts in all aspects of the 2021 March Economic Madness student competition, understanding that failure to do so will have a negative impact on the event and the members of my team.

Further, I shall abide by our universities' values of learning, discovery, freedom, leadership, individual opportunity, and responsibility, and will uphold these values through integrity, honesty, trust, fairness, and respect toward peers and community.

I understand that during the following periods of the competition, my team may not consult with any individual or organization other than our teammates.

FEBRUARY 26 – MARCH 6, 2021

MARCH 22-27, 2021

*Requesting assistance outside the team during these periods will disqualify the team.*

Sincerely,

---
